

Step Therapy (ST) Criteria

Certain drugs may require that you receive a Prior Authorization before the drug will be covered by the health plan or that you must try certain drugs to treat your condition before another drug will be covered. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B. This is called Step Therapy. The Step Therapy criteria is specified in the following pages.

If you will need a Prior Authorization, you, your appointed representative or your prescriber can request coverage by calling 800-788-2949 or fill out a coverage determination form and mail it to us 10181 Scripps Gateway Court, San Diego, CA 92131.

MoreCare is an HMO plan with a Medicare contract. Enrollment in MoreCare depends on contract renewal.
